

PRINCIPALITY

Principality Medical Ltd – Health & Safety Policy Statement

The Company will, insofar as is reasonably practicable, endeavour to maintain a working environment which gives regard to Health, Safety & Welfare of all persons affected by plant and processes under our control and in particular to:

- Provide and maintain plant and systems of work which are safe and without risk to health.
- Make arrangements for ensuring the safe use, handling, storage and transport of “Articles and Substances” which are inherently or potentially dangerous.
- Assess and limit the risks to health caused by all substances and systems of work used at these premises and to inform the relevant employee of the results of this assessment and the nature of the risk.
- Monitor on a regular basis the risks to health caused by substances and systems of work used at the premises. This monitoring will be done as an on-going concern.
- Provide comprehensive information, instruction, training & supervision to ensure, as far as is reasonable practicable, the health & safety of every employee.
- Maintain the work place in a safe and risk free condition and the provision of safe means of access to, and egress from, the workplace.
- Provide and maintain a safe and healthy working environment with adequate welfare facilities and arrangements.

It is also the duty of every employee to:

- Conduct themselves in a safe and healthy way so as not to expose to risk themselves or any other employee, and
- To co-operate with the Company in every way so as to enable the Company to discharge its duties under the Health & Safety at Work Act 1974.
