

PRINCIPALITY

Principality Medical Limited - Quality Statement

It is the aim of the Company to achieve 100% Customer satisfaction through;

- consistent manufacturing of Quality products, using Good Manufacturing Practises and to a recognised Quality Assurance standard,
- concise and timely deliveries,
- competitive pricing, and
- good and open channels of communication, both within the Company and extending to its Customers and Suppliers.

At all times the Quality requirements of our Customers and, indeed, their Customers are the driving force behind our operations.

The Company operates a Quality Management system which is certified to both ISO 9000:2000 and ISO 13485:2003 and which also complies with the requirements of ISO 14000 and OHSAS 18000.
